Part A

I'm Mina. I'm a student. I'm 14. There are 25 students in my class. I have a lot of friends.

My best friend is Sarah. She's a good student. She's very neat and careful.

Sometimes she gets nervous. It's a big problem we text message every day.

We see each other on the weekends . We usually go to cinema and see war movies.

Part B

Last week something happened to our TV. It didn't work. At first we were upset but then we talked about our day. It was really fun. Later we helped our mother and cleaned our house. In the afternoon my grandfather showed us how to play an old game. We enjoyed it a lot. All day we were busy doing different things. At night we all were happy no one talked about TV.

Part C

A: Hi Mina, we plan to go to a lake for a school trip this weekend. Do you want to come?

B: Hello Sarah, I don't think so I don't like school trips last nature day I fell and hurt my knee.

A: It sometimes happens I twisted my ankle last winter. I stayed home for 3 weeks.

B: That's too bad. I didn't know that.

A: Yes, but after that I participated in some aid classes I learned how to take care of myself.

B: Really? Can you give me some advice?

A: Sure.
